Trend n' design, the manufacturer of high quality furniture for Hotels, Motels, Resorts, Corporate and Townships, offers the latest furniture trends in India and international market. It has thorough knowledge of sourcing and selecting the best quality raw materials for various applications, which plays a vital role in the quality of its products. The company has its manufacturing unit in Delhi.

The impressive array of wooden furniture of the company includes restaurant and bar furniture, umbrellas for pool & garden, liquor trolley and flambé trolley among other. All weather products and accessories include garden chairs and tables,

service trolleys and bar furniture. Trend N' Design also has a range of banquet furniture comprising of customised foldable buffet tables and banquet chairs.

The new collections from Trend N' Design offers you a stylish extension of the refinement of your interior, enabling you to take advantage of the great diversity of your outside space. The rich lines have been inspired by current trends – rare woods, brushed metals, rounded design, water repellent materials and light individual pieces – giving you endless possibilities, but items can also easily be integrated into a pre-existing arrangement.
